10. [REDACTED] Dorothy Fosdick, Staff Director, Senate Subcommittee on National Security and International Operations, called. She said she was aware that Messrs. Duckett and Bruce Clarke would be briefing Ed Braswell and Jim Woolsey, Senate Armed Services Committee staff, tomorrow morning and asked if these men could come by and brief Richard Perle, of the Subcommittee staff, and herself on the same subject after the earlier meeting. Since it was obvious that either Braswell or Woolsey had informed her of the briefing, I suggested we simplify matters and conserve the time of our briefers by briefing all four of the staff members at one time. This was agreed to by all parties.

11. [REDACTED] [REDACTED] Chief, FE Division, called to advise us of a call that [REDACTED] had received from John Eisenhour (who formerly handled MASF funds for Thailand in ISA and is now in a comparable position in OMB) asking about the clarification we had received from Senator John Stennis regarding his position on Agency involvement in operations in Laos. I discussed this with Colonel White who suggested that [REDACTED] call Eisenhour and inform him that all of the background on this matter was contained in a memorandum from the Director to Kissinger yesterday.
